

### **Photography Policy:**

From time to time Onside Coaching photograph/video children enjoying the activities, so we can let other parents know about our courses through our marketing, website and social media.

- We do not use children's names in photograph captions. Any photograph from which a child could be identified by name will not be used.
- Photos and videos of children whose faces are visible will only be used if the parent has ticked the photo consent box on their online account.
- Children will be made aware that photos and/or videos are being taken, so that they have the option of not participating.
- Only images of children in suitable clothing will be used.
- We will not pass on or sell to any other organisation any photographs or videos taken at Onside activities.
- Should parents be given the opportunity to take photos/videos during any of our activities, we ask that these are not shared on social media.

If you are happy for your child to appear in any Onside photos/videos, please tick the consent box on your account.
